A Message From Mr. Campagna

Dear Parent(s)/Guardian(s),

Huskies Helping Huskies - This is an after-school tutoring program for our students at MCHS. Sessions are held on Tuesday, Wednesday and Thursday of each week from 3:30-4:30 in Library Lab E. Teachers will be available to help students with homework, test preparation, additional instruction, Google Classroom, etc. Students do not need to sign up ahead of time to attend, and they will need to have their own transportation home.

A few procedural items to keep in mind as we start the school year.

1. Attendance - Students will either scan their ID cards or enter their ID number in the morning at one of the attendance stations at the front of the school.
2. Students must submit a note to the main office prior to leaving the building for all early dismissals. Notes may be submitted during their homeroom/first period class. Failure to provide a note prior to leaving the building for an early dismissal will result in disciplinary action from the office.
3. When writing excuses for absences, please make sure you put your child's full name and grade on the excuse. In addition, I want to remind you that you can email either assistant principal or me with your excuses. Our email addresses are as follows:
 - a. Mr. Campagna - ktc17@mcsdk12.org
 - b. Mrs. Ruble - jmg26@mcsdk12.org
 - c. Mr. Durn - amd05@mcsdk12.org

Please don't hesitate to call (717-242-0240) or email (ktc17@mcsdk12.org) if you have any questions or concerns.

Kelly T. Campagna
Principal

Parents and guardians may review more information at MobileDentists.com.

MCHS will host the Mobile Dentist on these future dates:

- October 27, 2025
- April 27, 2026
- October 28, 2026
- April 27, 2027
- October 28, 2027
- April 28, 2028

If you need a consent form to have your child receive dental services on a future clinic date, please contact Mrs. Grabill in the MCHS Nurse's Office.

Please return the completed consent forms to the MCHS Nurse's Office.

After Mrs. Grabill sends the forms to the Mobile Dentist, their employees will contact parents and guardians with questions or let you know if your child is approved for services.

Dear Parents and Guardians,

As your student prepares for the final years of high school, please note the following PA Department of Health school health requirements:

11th Grade Physical Examination: The school nurse will accept a private physical examination completed during the student's sophomore year, a sports pre-participation physical, driver's license physical (DL-180 Form), or a private physical examination completed by the student's healthcare provider. Private Physician Physical forms can be picked up in the nurse's office or obtained on the MCS D website (Student/Parents > Nurses > Forms & Policies > Private Physician Physical Form). Submitted physicals should not be dated prior to September 1, 2022. Physicals should be submitted to the school nurse by May 15, 2025.

12th Grade Meningococcal Vaccination (MCV): Prior to the 2025-2026 school year, every student entering 12th grade must have one dose of the MCV (meningococcal vaccination) by the first day of 12th grade. **This dose is in addition to the one required for 7th grade and must be given after the student turns 16 years old. Students in the Alpha program are also required to obtain this immunization.** If the student is not compliant with or appropriately exempted prior to the start of their senior year, the student will be excluded from school until either compliance is documented or an appropriate exemption is submitted.

Please submit physical exam forms and immunization documentation to the school nurse.

Over-the-Counter Medication forms were handed out to students on September 6, 2024, during 6th period. This form must be completed and signed by a parent/guardian in order for students to receive medication from the school nurse.

MCTV also ran a week-long announcement to make students aware that forms were available in the MCHS Nurse's Office.

If your child has not submitted the Over-the-Counter Medication form to the Nurse's Office, your child will not receive medication at school. Forms are available in the nurse's office.

As a reminder, students are NOT permitted to carry any medications on their person during school hours. This includes cough drops, medicated creams, eye drops or anything used for medicinal purposes.

Any medication that is required to be taken at school MUST be transported to school by a parent/guardian or designated adult and accompanied with a physician's order. Parents and guardians are required to sign medications into the nurse's office at drop-off.

If your child requires an inhaler, a new physician order must be submitted to the school nurse EACH school year before your child can carry an inhaler on their person. Failure to do so is a violation of the MCSD Medication Policy.

Please contact Mrs. Grabill, School Nurse, if you have any questions about medications.

Student Assistance Program (SAP)

The MCHS Student Assistance Program (SAP) Team is a group of professionals dedicated to helping to identify and assist students who may be struggling with life issues that are interfering with school performance. The SAP team consists of teachers, administrators, school counselors, social workers, nurses, and representatives from community agencies who have been specially trained to work with students and make appropriate referrals. This help is provided in a completely non-disciplinary way.

Based on the diverse needs of our students, this process may include an interview with a member of the SAP team, a counseling group, or individual counseling with the school-based therapist or social worker. Services may include academic support; behavior management; drug and alcohol education, prevention, assessment and treatment through Clear Concepts; anger management; mental health assessment through the Youth Advocate Program; conflict resolution, or involvement in community agencies. All SAP-related services are free and confidential. A parent or guardian must sign a permission for SAP services. Any student, parent, or teacher may make a referral. If you have concerns for a MCSD student in grades K-12, please contact an administrator, school counselor, or school nurse.
