Dear Parent:

The Mifflin County School District is conducting registration for children who will be eligible for enrollment in a kindergarten class for the 2025-2026 school year. A child must be 5 years of age on or before September 1, 2025. There are no exceptions or provisions made for early entrance to kindergarten.

Information gathered from this form will enable the district to properly plan for its new enrollees and will provide an opportunity for school officials to communicate directly with parents and guardians concerning enrollment requirements.

Proper enrollment for school includes: a physical examination performed within one year of the start of the 2025-2026 school year, verification of birth date, proper immunization, proof of residence, and custody agreements/court orders (if applicable). Once enrolled, a kindergarten assessment will be administered to each child to determine learning potential. While this assessment has no bearing on eligibility for enrollment, it does aid the school in structuring meaningful and appropriate educational programs for new students. Once your child is registered you will receive more information about the assessment program.

Please complete the form below and return it to :
