Ski Club

Trip dates to Tussey Mountain: 1/10, 1/17, 1/24, 2/7 and 2/24. Subject to change depending on weather. Please listen to morning announcements for the week of our scheduled trips. If anyone is interested in heading to Camelback Ski Resort on Saturday, February 1st, please turn in all paperwork and payments by Friday, January 17th. Email Mrs. Hopple is any questions.

Mrs. Stine's Science Classes

Juniata College Science in Motion is collaborating with Mrs. Stine's 8th-grade science students to create liquid nitrogen ice cream, providing a hands-on, educational experience that blends science and fun. The students are learning about the properties of liquid nitrogen and its role in freezing the ingredients instantly, while also exploring the science behind freezing points, temperature, and phase changes. This exciting experiment allows students to apply scientific principles in a practical and delicious way!

Husky Resources

Student Assistance Program (SAP)

The MCJH Student Assistance Program (SAP) Team is a group of professionals dedicated to helping to identify and assist students who may be struggling with life issues that are interfering with school performance. The SAP team consists of teachers, administrators, school counselors, social workers, nurses, and representatives from community agencies who have been specially trained to work with students and make appropriate referrals. This help is provided in a completely non disciplinary way. Based on the diverse needs of our students, this process may include an interview with a member of the SAP team, a counseling group, or individual counseling with the school-based therapist or social worker. Services may include academic support; behavior management; drug and alcohol education, prevention, assessment and treatment through Clear Concepts; anger management; mental health assessment through the Youth Advocate Program; conflict resolution, or involvement in community agencies. All SAP-related services are free and confidential. A parent or guardian must sign a permission for SAP services. Any student, parent, or teacher may make a referral. If you have concerns for a MCSD student in grades K12, please contact an administrator, school counselor, or school nurse.

Guidance

Ms. Kristine Johnston and Mrs. Lisa Kile are the MCJH school counselors. Mrs. Kile is responsible for students with last names A-K, and Ms. Johnston is responsible for students with last names L-Z. Please contact your student's guidance counselor if you have any concerns throughout the school year.
