McKinney-Vento Homelessness Assistance Act

Ensures educational rights and protections for children and youth experiencing homelessness.

These rights and protections include:

- ✓ School stability
- ✓ School access, which includes, full participation in school and extra-curricular activities
- ✓ Support for academic success

Services & Supports

If you are experiencing any of the challenges listed, your child may qualify for the following supports and services:

- Right to stay in school of origin
- Referrals for medical, dental, or other health services
- Transportation to school
- Assistance with participation in school programs
- Coordination between schools and agencies
- Counseling
- School supplies
- Referral to other programs and services

Please contact your child's guidance counselor for more information.
