## MEDICATION POLICY

“Over-the-Counter Medication forms were handed out to students on September 6, 2024. This form must be completed and signed by a parent/guardian in order for students to receive medication from the school nurse. If your child has not submitted the Over-the-Counter Medication form to the Nurse's Office, your child will not receive medication at school. Forms are available in the nurse's office. As a reminder, students are NOT permitted to carry any medications on their person during school hours. This includes cough drops, medicated creams, eye drops, or anything else that is used for medicinal purposes. Any medication required to be taken at school MUST be transported to school by a parent/guardian or designated adult and accompanied by a physician's order. Parents and guardians are required to sign medications into the nurse's office at drop-off. If your child requires an inhaler, a new physician order must be submitted to the school nurse EACH school year before your child can carry an inhaler on their person. Failure to do so is a violation of the MCSD Medication Policy.”

## Student Assistance Program (SAP)

The MCJH Student Assistance Program (SAP) Team is a group of professionals dedicated to helping to identify and assist students who may be struggling with life issues that are interfering with school performance. The SAP team consists of teachers, administrators, school counselors, social workers, nurses, and representatives from community agencies who have been specially trained to work with students and make appropriate referrals. This help is provided in a completely non disciplinary way. Based on the diverse needs of our students, this process may include an interview with a member of the SAP team, a counseling group, or individual counseling with the school-based therapist or social worker. Services may include academic support; behavior management; drug and alcohol education, prevention, assessment and treatment through Clear Concepts; anger management; mental health assessment through the Youth Advocate Program; conflict resolution, or involvement in community agencies. All SAP-related services are free and confidential. A parent or guardian must sign a permission for SAP services. Any student, parent, or teacher may make a referral. If you have concerns for a MCSD student in grades K12, please contact an administrator, school counselor, or school nurse.
